Voting at the General Election Meeting of the Eastern Sydney Regional Advisory Council

How to vote

Members can vote by either:

1. Attending the meeting and voting in person or by attorney or, in the case of corporate members, by appointing a corporate representative to attend and vote; or
2. Appointing a proxy to attend and vote on their behalf, using the proxy form (**Attachment 3**) accompanying this Notice of Meeting, or by submitting their proxy appointment and voting instructions to the Regional Director either by post or email, the details of which are set out in the proxy form.

Voting in Person (or by Attorney)

Members, or their attorneys, who plan to attend the meeting are asked to arrive at the venue **15 minutes prior** to the time designated for the meeting commencement so that their membership may be checked against the Register of Members and their attendance recorded.

A member that is a corporation may appoint an individual to act as its representative and to vote in person at the meeting.

Note: if necessary, the meeting may be held virtually by electronic means.

Voting by Proxy

1. A member entitled to attend and vote is entitled to appoint a proxy. Each proxy will have the right to vote on a poll and also to speak at the meeting.
2. A proxy need not be a member.
3. The proxy can be either an individual or a body corporate.
4. If a proxy is not directed how to vote on an item of business, the proxy may vote, or abstain from voting, as they think fit.
5. Should any resolution be proposed at the meeting, a proxy may vote on that resolution as they think fit.
6. If a proxy form is returned but the nominated proxy does not attend the meeting, the Chairman of the meeting will act in place of the nominated proxy and vote in accordance with any instructions set out in the proxy form.
7. To be effective, proxies must be lodged **48 hours** before the time appointed for the holding of the meeting. Proxies lodged after this time will be invalid.
8. Proxies may be lodged using any of the following methods:
