

EVERYTHING YOU NEED IN ONE SPOT

TURN YOUR STUDENTS INTO CONFIDENT JOB SEEKERS

Skillsroad gives teachers the tools they need to support students' transition from school to the workplace. We'll help you to help them identify their interests, explore related careers and optimise their chances of employment through further education and training.

1.

LESSON PLANS & RESOURCES

Designed by educators to encourage students to productively think about, plan and work towards their future.

2.

INDUSTRY CAREER SNAPSHOTS

Explore more than 350 careers and gain information about average earnings, job prospects, typical duties of a given role and much more!

3.

CAREER VIDEOS

Immersing students in the realities of the workplace.

8.

ENTRY-LEVEL JOB BOARD

One of Australia's leading destinations for entry-level roles, including graduate roles, internships, apprenticeships, traineeships, part-time and casual positions.

7.

360° VIRTUAL WORKPLACE

A virtual platform that encourages students to dive into different workplaces to explore the realities of people in their everyday working roles.

4.

RESUMÉ TIP SHEETS AND TEMPLATES

Free, downloadable resumé templates and tips to create a professional entry-level resumé.

5.

CAREER QUIZ

Designed by a registered psychologist, the Skillsroad Career Quiz helps students connect their strongest skills with career options.

6.

JOB FIT TEST

Allows students and job seekers to compare their skills and interests, and determine their job fitness and work readiness for particular roles.
